Elite® Series AC13 Air Conditioner

Innovation never felt so good.™

Efficient design can result in significant energy savings

Dependable Copeland Scroll™ compressor delivers smooth, efficient and reliable operation

SmartHinge™ louvered access panels provide improved coil protection and fast, efficient servicing

ENERGY STAR®-qualified

The AC13 air conditioner is designed to deliver more comfort for your energy dollar, thanks to efficiency ratings of up to 14.00 SEER.

At the heart of the system is a Copeland Scroll™ compressor, which provides smooth, efficient and reliable operation.

EXCEPTIONAL ENERGY SAVINGS AND COMFORT

With its high-efficiency performance and dependable scroll compressor, the AC13 air conditioner delivers exceptional comfort and value.

It keeps your energy costs down and your home comfortable, even during extreme summer heat.

BUILT WITH QUALITY INSIDE AND OUT

Advanced design features and rigorous testing of every component ensure the AC13 air conditioner will provide dependable operation as well as reliable cooling comfort.

EFFICIENCY RATING

Up to 14.00 SEER (Seasonal Energy Efficiency Ratio).

WARRANTY*

10-year limited warranty on the compressor.

5-year limited warranty on all remaining covered components.

*Applies to residential applications only. See actual warranty certificate for details.

Efficient Can save you money on your energy bill

The AC13 air conditioner provides cooling efficiencies of up to 14.00 SEER. The higher the efficiency rating, the higher your energy savings. In the case of the AC13 air conditioner, those savings can translate to hundreds of dollars over five years.

5-YEAR COOLING SAVINGS

14.00 SEER AC13 air conditioner, compared to older, less efficient units

This chart compares the 5-year savings you can expect from an AC13 air conditioner vs. units with lower efficiency ratings, based on a 36,000 Btuh/3-ton unit (EPA Region 9). Your actual savings will vary depending on the weather, local fuel rates, indoor coil and your lifestyle.

INNOVATIVE FEATURES FOR ENHANCED QUALITY, COMFORT AND EFFICIENCY

Precision-Balanced Direct-Drive Fan –
Provides a quieter environment outside your home.

High-Efficiency Outdoor Coil –
Provides exceptional heat transfer and low air resistance for high-efficiency operation that can lower your cooling bills.

Dependable Copeland Scroll™ Compressor –
Provides smooth, efficient and reliable operation.

Durable Steel Cabinet –
Made to last with superior high-quality, pre-painted steel and textured finish. Tested to withstand the harshest environments.

Drainage Holes –
Prevent damaging moisture from collecting inside the basepan, ensuring longer product life.

SmartHinge™ Louvered Coil Protection –
Allows quick, easy access to interior components from all sides, so the unit can be serviced in minimal time, saving you money.

Many Lennox® home comfort systems meet ENERGY STAR® requirements when used with appropriate components. Ask your dealer for details.

Certification applies only when used with proper components as listed with ARI

CUSTOMIZE YOUR COMFORT

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your home's heating, cooling and air quality needs is every bit as important as choosing the right brand. We think you'll agree our independent dealers are a big reason you can count on quality customer service whenever you call. Your Lennox dealer's dedication to quality shows in his knowledge, training and expertise in designing the right system for your home, installing it properly and keeping it running perfectly for many years to come.
